

Working together to improve the lives of people in debt

## **Regional Membership**

MALG is a not-for-profit UK membership organisation whose purpose is to be the pre-eminent forum for neutral, non-partisan discussions between creditors, debtors, advisors, regulators and all organisations seeking to 'work together to improve the lives of people with problem debt'.

MALG is the 'missing link' that ties together all the threads of the customer journey from the prevention to the cure of problem debt. We do this by acting as a thought leader, facilitator and accelerator of change, creating an open, non-judgmental, and dedicated forum for discussion, best practice, and joint action.

MALG provides Regional Membership to commercial businesses that are committed to supporting its purposes and are interested in networking, information sharing and wider engagement with like-minded organisations.

- latest debt advice information via MALG's **communication channels** including e-newsletters, forums, and the MALG website
- authorised use of the **endorsed MALG Membership logo**
